

Open Position: Analyst/Associate, IIX

Call for Applications

Organization: Impact Investment Exchange Asia (IIX) is the home of Asia's first private and public platforms for Impact Enterprises (IEs) to raise investment capital. IIX provides IEs with greater access to capital, allowing them to rapidly expand the impact of their activities.

IIX benefits Impact Investors by giving them access to a group of investment-ready IEs with strong corporate governance practices and a commitment to transparent reporting of both financial and social results, and by providing a source of liquidity. Through its investment platforms, IIX connects IEs with Impact Investors that value the impact these IEs create.

For more information about IIX, please visit www.iixglobal.com.

Duties and Responsibilities:

Corporate Finance Team:

- Assist the team to source and evaluate IEs to build a healthy pipeline in the key sectors and geographies, and in screening IEs on investment readiness criteria
- Assist the team in providing technical assistance to selected IEs to get them investment-ready. This includes examining financial reports, building financial models, drafting business plans and structuring capital needs.
- Assisting the team on Investor outreach to expand its investor database
- Assist the team with preparing for IE showcases (events where IEs pitch to a live group of accredited investors), which includes preparing collaterals and logistics
- The position is based in Singapore

Qualifications:

Required:

- At least undergraduate degree in Business Management or a similar field, with a minimum of 1 year experience in a similar field.
- Strong analytical abilities, both qualitative and quantitative. Knowledge in financial modelling and analysis is required.
- Ability to present information in an insightful and structured manner, both written and oral.
- Entrepreneurial mindset; self-starter comfortable working in a dynamic environment.
- Professional communication skills in English; additional languages highly desirable.
- Desire to work in a collaborative, high-performing team environment, building relationships with other team members and managing a range of responsibilities.
- Must be a team player, with a passion for entrepreneurship and market-based solutions to poverty, and an understanding of the challenges of investing in the markets we serve.

- Positive and self-motivated attitude.
- Must be experienced and comfortable working in Word, Powerpoint, and Excel.
- Availability for travel.

Preferred:

- Some work experience in the region
- Fluency or proficiency in one or more regional languages

Start Date:

Immediate

Submission:

Please submit a cover letter and a resume to jobs@iixglobal.com; a test on technical knowledge will also be required if you are shortlisted. Qualified candidates will be considered and contacted by a member of the IIX team for interviews. IIX is an equal opportunity employer.
