*Call for Applications*

**About IIX:**

Impact Investment Exchange (IIX) is the pioneer in impact investing and the global leader in sustainability. We have transformed the financial system so that women, the environment and underserved communities are finally given a value and a voice in the global market. Over the past decade, we have built the world's largest crowdfunding platform for impact investing ([Impact Partners](#)), created innovative financial products such as the [Women's Livelihood Bond Series](#), digitized our impact assessment to effectively measure and value the impact of an enterprise on people and planet through [IIX Values](#), operated award-winning enterprise technical assistance programs such as [IIX ACTS](#), and established an [Impact Institute](#) for training and education. To date, our work has spanned 46 countries, unlocked close to US\$200 million of private sector capital and positively impacted over 80 million direct and household lives. IIX has received numerous awards for its work including the Oslo Business for Peace Award, the 'Nobel Prize for Business.'

**About the role:**

We are looking for a seasoned Management Consultant or Corporate Finance personnel with experience in putting a business plan, corresponding financials and potential list of investors.

You should have experience working at a Corporate Finance, Professional Services or M&A advisory practice, at an investment bank, boutique advisory or professional services firm. You must be able to demonstrate you have run and executed multiple transactions successfully. There is a significant emphasis on entrepreneurial spirit, honesty, integrity and ability to generate substantial value on joining the company.

Responsibilities include:

- Providing valuations and financial analysis through modelling, including the design, review and assessment of financial models.
- Able to individually leading transactions
- Good project management skills, able to independently handle due diligence and client interaction
- Creating management presentations, teasers, pitch books, etc.
- Liaise with external counterparties (lawyers, sponsors, accountants, etc.)

Required qualifications:

- At least 5+ years of relevant work experience; preferably with experience working at a Corporate Finance, Professional Services or M&A advisory practice, at an investment bank, boutique advisory or professional services firm
- An MBA degree from a good business school

- Collaboration and Relationship Management – Given our flat structure, the candidate should be an accomplished team player capable of managing senior relationships inside and outside of the Company up to CEO level.
- Able to demonstrate an entrepreneurial mindset; or have operational experience working in or with growth-stage enterprises
- Will have attention to detail; and is happy to roll sleeves up and demonstrate a hands-on works style.
- Is able to demonstrate direct and indirect people & team management & leadership experience.
- Strong financial modelling and power point skills to prepare business plans.

The Company is headquartered in Singapore but the role can be based remotely outside of Singapore. The role will start as a contract role for 2 months, but with the potential to convert to a longer term role.

**Submission:** Please submit a resume, cover letter, your college/university transcripts and relevant work samples for similar projects to [jobs@iixglobal.com](mailto:jobs@iixglobal.com). Qualified candidates will be considered and contacted by a member of the IIX team for an interview to discuss your skills, interest and experiences. You will also be requested to complete a writing exercise. IIX is an equal opportunity employer. *Only candidates who are excellent writers, critical thinkers and energetic team players will be successful at IIX.*
